Carey,

Thank you for your quick response. There are many records that need to be reviewed by the Attorney and myself prior to being released. Currently your fee commitment is \$25. Due to the numbers of records that need to be reviewed for responsiveness and releasability we are going to need you to increase your fee commitment an additional \$150.

Please let me know if you agree to the additional \$150 fee increase.

Thank you,

Mark Muro

Subject to my reservation of all rights, including but not limited to the right to re-submit my original FOIA request, I am willing to accept releasable records that are REDACTED due to any of the 9 FOIA exceptions.

Carey,

I am working on the FOIA request you submitted for the Estate of Lois Jean Wienen. On your last email to Tom Turner. You stated you were willing to modify the request to "releasable" records.

I just have one more question are you willing to accept releasable records that are REDACTED due to any of the 9 FOIA exceptions?

Please reply back to this email ASAP so that we can continue to process your request.

Thank you
